I had sent it to jerry previously. Attached here as well. This will be transferred to Speaker Hughes when done and is a priority to run this week.

Greg Hartley may have some comments as well.

Subject: Bears Ears resolution

Rep. Ivory,

I just tried to give you a call as well, but wanted to let you know I'm drafting your resolution regarding Bears Ears, except I still haven't received the draft language from Matt Anderson. I contacted Matt on the 12th and he said he was working on the language and would get it to me soon.

I'll try to contact Matt again, and I can come meet you as well, if needed. Let me know.

Thanks,

Megan Bolin
