**Q12** In addition to the extra weekly benefits, Congress passed a relief fund to help struggling small businesses stay afloat called the Paycheck Protection Program. Concerns have been raised that the Trump administration set up the program in a way that prioritized wealthy and well-connected companies while leaving out many small businesses, especially minority-owned businesses. Do you think Congress should extend the Paycheck Protection Program as-is, extend it but fix the Paycheck Protection Program so that it prioritizes the small businesses most in need; start over with a new program that is more transparent and focuses on helping small businesses most in need; or allow the Paycheck Protection Program to expire?
